It's *BB*'s Tashie Jackson!

The reality TV babe
on life in the big
house and new pal
Pamela Anderson!

SHE CAN say
she's legitimately
sniffed Pamela

Anderson's hair without
security piling in, or
restraining orders being
issued. And now sexy *Big
Brother* evictee Tashie
exclusively bares all for
Nuts in her sauciest shoot
since leaving the house!

The 21-year-old Oxford
lass then told us all about
how she struck up an
unlikely friendship with
Baywatch babe Pammie,
and her current plans to
take over the world! ▶

TALENTED TASHIE!

A competitive
gymnast and
belly dancer,
Tashie was also
an extra in the
final *Harry
Potter* film!

**“Pamela
Anderson
and I are
like best
friends!”**

“I’m going out to see Pamela in Malibu!”

Hi Tashie! Welcome to *Nuts*! Have you been enjoying a lot of attention since leaving *Big Brother*?

Oh, it’s been incredible, and what an amazing experience to be able to do a shoot like this, too! I’ve just been really busy doing interviews but I’ve also been in the studio recording an album!

Were you gutted to be the first to be shown the famous sliding door?

I was sad to leave the experience but I’m on the next step in the journey! It’s given me these opportunities, so I won’t dwell on negative stuff.

You cried loads in the house! Who cries more – you or weepy-cheeks Tulisa from *The X Factor*?

Ha-ha! I think I cried more than her – that was my character coming through! When you’re in an environment like that, it’s just a pressure cooker, so it’s really hard to keep on top of your emotions.

Who were the hottest girls in the house?

My friends Louise and Maisy. I had a shower with them a few times!

What was it like living with Pammie?

Really cool! At first I was a little bit like, “Oh my God, how come she’s here? That’s so cool!” Then, as I got to know her, I realised that we’re like best friends! I look forward to going out and seeing her in Malibu.

Was she down to earth?

She didn’t have an ego or anything. She’s so funny and a bit sarcastic. The best part was watching the guys embarrassing themselves to impress her. They were f**king ►

**“I showered
with Louise
and Maisy

in the house!”**

"I've had a few phone calls from Premier League footballers!"

up their chances by saying stuff like, "Ha-ha! I've w*anked over you since I was 12!" Not the best chat-up line, is it?

So will you be having girlie sleepovers now?

We're definitely going to stay in touch. I'm hopefully going to fly out and surprise her in Malibu. She wants to see the London shops so I'll show her some places.

Since you've been out, have you had any seedy celebs cracking onto you?

I've had a couple of calls from some well-known people. A lot of people find your number and want to get in touch. I'm just riding the wave!

Have any footballers given you a call?

I was never into the footballer thing but, yeah, I've had a few phone calls from Premier League footballers. I'm not mentioning names. They don't deserve a mention!

In your professional opinion, can blokes belly dance as well as girls?

Some guys can dance but I find a woman knows how to shake those hips more than a man does. But I love men who try!

Finally, what's next?

Well, I'm recording my album at the moment. I'm going to be on a few more TV shows. Nothing too weird, but I have a surprise coming up in the *Big Brother* house!

What's the surprise?

That's all I can say, really. There might be a surprise on *Big Brother's Bit On The Side*. **X**

Down in one!

Massive crocodile chomps down antelope whole!

WE LOVE crocodiles here at Nuts, although not to the point we'd ever cuddle one. But imagine how frightening they must be if you're a topi antelope in the Masai Mara National Reserve in Kenya. **This 21-foot-long croc swallowed an entire 136kg topi in one go** – hooves, horns and all. Cool! Unless you're the antelope, in which case you're probably pretty hacked off about it.

WORDS: PETE CASHMORE PHOTOS: PAOLO TORCHIO/BARCROFT MEDIA

"Gah! Have I got something in my teeth?"

"Heck! I won't have
room for dessert
at this rate!"

Masai Mara facts!

- The Masai Mara National Reserve was established to protect animals from hunters – although, sadly for this antelope, not from each other!
- The reserve is home to the famous mass wildebeest migration, which takes place in July and August every year, in which 1.3 million animals flock to the Mara River.
- The reserve is also home to the largest concentration of lions in Africa.
- Entry to the National Reserve is currently £36 for adults (and a mere £16 for the nippers).

Michael McIntyre's new gags!

We scribbled down his best jokes for those who can't make his stand-up tour!

On Rafael Nadal...

"**HAVE YOU** seen what he does? He puts his hands down his shorts. Then he wipes his face. And everyone at Wimbledon just sits there eating strawberries. Someone's got to say, 'Get your f**king hands out of your arse!' You wouldn't get away with it in any other sport. Imagine David Beckham taking a penalty. [Mimes sticking hands down the back of his trousers, then sniffing his fingers.] Noooo!"

On trying out new jokes...

"I've just been watching the tennis. Every time Andy Murray hits it out, he blames his racquet. So I've decided any joke that doesn't work, I'm just going to fiddle with the mic. 'I know hilarity will have left my face, but you f**ked it up! I'm going to change microphones. I've got a new one in the cupboard.'"

On Red Or Black...

"**THIS IS** the worst game show I've ever seen. It's just 50/50. You might as well go, 'Is it heads or tails?' 'Is it in this hand or this hand?' 'Am I Ant or Dec?' ITV lost £2m pounds on the first two nights and could lose £7m more. I think it'll end with the ITV executive walking into the bank and going, 'Is it red or black?'"

On texting...

"If you send someone a text, they legally should have to text back. I'll send a text. 'So nice to see you.' I'll wait for the ping. 'Yes, it was lovely to see you, too.' Not replying is like going up to someone's face and going, 'I had a really lovely dinner - thanks very much!' and them just walking off."

On cameras...

"**PEOPLE SAY**, 'Say cheese!' But cheese doesn't make you smile. 'Do you want to see the dessert menu?' 'Yes, I'll have some cheese.' You don't

go, 'Yes, I'll have some cheeeese!' What about people who are lactose intolerant? They certainly don't smile when they say cheese. Maybe the 'eese' sound makes you smile. They could use any word. 'Say trees!' 'Say wheeze!' 'Say disease!'"

On restaurant specials...

"People say, 'Don't order the specials because they're not actually the special, they're all the things that are going off.' I don't give a sh*t. They're trying to run a business. They might as well try to flog stuff that's going off. You've got to call it specials. You can't call it 'stuff that's about to go off!'"

On airports...

"**I'VE JUST** come back from New York. I lost my car at the airport. We parked in C3. My wife said, 'Make sure you write down C3 - you're terrible at remembering things.' I said, 'Don't worry, I'll never forget C3 because of *Star Wars* - C-3PO.' Four days later, she was like, 'Where are we parked?' All I could think was 'R2. Or is it D2? Is there an X-Wing?' I was wandering around going, 'OB-1, has anybody seen OB-1?'"

On Christmas holidays...

"News Year's Eve's a great night, then you wake in the morning and you've got nothing to live for. You've spent all your money. Christmas is over. Between

Christmas and New Year, you get that weird five days. We walk around in a trance. 'Do you know what day it is?' 'Are the shops open?' 'Can I park here?' 'When's the rubbish taken away?' 'What's on telly?' 'Is there post today?' 'Is there any more turkey left?' 'Is it still good TV?' 'Why is every advert for sofas?' 'What time's *Chitty Chitty Bang Bang* on?'"

On glasses...

"**I'VE STARTED** wearing glasses. People come up and go, 'Do you wear glasses?' I think that's an odd question to ask someone who's got glasses on their face. They expect you to react. 'Oh no, I saw *Avatar* last year and I must have left them on. Darling, why didn't you say something?'"

On daytime telly...

"So I've been watching a lot of morning TV. I'm going to stop. The adverts depress me. There must be a lot of bloated women watching morning TV. I can recommend Activia. In the adverts, she's obviously in discomfort. Then she has an Activia and instantly it's a lovely day, all because of Activia. Of course, what this advert's missing is her having an enormous sh*t immediately afterwards. It's false advertising."

Le Mans track Lotus!

The most powerful road-going Lotus is born!

- The standard Lotus Evora is stunning to drive and as sharp as a cat's claw. Difficult to improve upon then, you'd think. But the Norwich-based sportscar manufacturer has done just that with the Evora GTE. Built to celebrate Lotus competing in the GTE (old GT2) category at Le Mans, the Evora GTE is basically a race-ready kitchen knife.
- Originally intended as a limited edition run of just 25 cars, strictly for the Chinese market, the Evora GTE had 114 orders from the Orient within two days. And demand soared even higher when the rest of the world gawped at how drop-dead mint it is. The initial 25 sold out straight away. Lotus *had* to build more – so it is.
- The GTE's main ingredients start in the horsepower department. It uses the same Cosworth-tweaked Toyota 3.5-litre V6 as the original Evora, but bhp has been upped from 276 to "in excess of" 438. That translates to 62mph blurring past in just 4.4 seconds and a top speed of around 180mph.
- That's an awful lot of horses, especially when it weighs just 1,277kg and the motor's mounted just inches from your backside. The gearbox is an automated manual AMT race unit, which means paddles behind the steering wheel and two pedals under foot.
- It's a menacing looking blade, too – wider hips, decals and swollen intakes are unmissable details. Deeper, more aggressive front and rear bumpers give the GTE a fanged look. You could plough a field with the rear diffuser alone.
- Next comes a set of featherweight forged centre-lock alloy race rims wrapped in the stickiest track-friendly Pirelli P-Zero Corsa tyres.
- Hell, even the doors are made of the trick stuff. The result? 105kg of bulk has been shaved off the standard vanilla-flavoured Evora. Not that it was a bloater before the carbon fibre fairy arrived.
- Chasing down the likes of Porsche, Lotus is hungry to match the German marque's build quality, especially on the inside. Accordingly, the GTE boasts a pair of Recaro carbon fibre bucket seats, finely stitched black and white contrasting Alcantara and a cool, floating centre console.
- The Evora is one of those cars that drives much better than it looks, but the GTE is no minger and also has fistfuls of overtaking muscle. With the Evora S nudging £60,000, don't expect change from £75,000 for this bad boy – although Lotus have hinted that this could be their first ever six-figure car.

George Michael had no idea how he'd ended up in the Arctic

SPOILER ALERT!

Sexiest component? Surely the high-rise rear wing in bare carbon fibre. Like the wing, the bumpers and rear diffuser are woven from Norfolk's finest carbon.

IT'S NERDIER than first place in a Gandalf

lookalike competition, but *Skyrim* – or to give the full title: *The Elder Scrolls V: Skyrim* – is the go to fantasy game of the year. The makers reckon you'll be pootling about the mystical realm of Tamriel for around 300 hours (that's 12-and-a-half entire days!), so a two-hour blast clearly only scratches the surface, but here's what you can expect, when it hits stores on Xbox 360 and PS3 on 11 November.

HOURLY-AND-A-HALF IN

There's lots of walking! But after opening a venue, you can fly there with a bash of a button. We keep meeting a giant, who kills us with a bash of his staff. Run away!

AN HOUR IN

We've killed a lady bandit. Shame! She was hot! Still, we collect the bounty at Dragonsreach and the lord of the town sends us off on a quest for a Dragonstone.

"Is that a skull codpiece or are you just scarily pleased to see us?"

MONSTROUS!

"Anyone got a giant glass and a huge bit of cardboard?"

TWO HOURS IN

We've killed a giant spider, fought zombies and got the Dragonstone. It shows dragon burial sites and sets up the main plot. Whisper: it's dragon based!

WORDS BY JEFF KENDEL

VERDICT

More folk will be twitch-shooting with *Call Of Duty Modern Warfare 3*, but if you love a good fantasy romp, *Skyrim* will be your game of 2011.

Ferrari takes a dip!

Million pound Enzo ends up in the Atlantic!

WHEN YOU'VE entered your £1m supercar in a five-day, 2,200km race, keeping it on the road is quite important. Sadly, Zahir Rana, an entrant in the Targa Newfoundland race in Canada, fell at that important hurdle, losing control of his Edo-tuned Ferrari Enzo and ending up in the Atlantic.

Brilliantly, Zahir's navigator shrugged the incident off as "just a boo-boo". And Rana plans to upgrade to the even more extreme Ferrari FXX!

● See the vid at www.nuts.co.uk/spambank

"It worked OK when James Bond did it!"

HOW IT HAPPENED

Rana lost control on this seemingly innocuous stretch of road...

“It’ll be no more than \$100k!”

Soggy driver talks exclusively to *Nuts*!

Hi Zahir! What’s the damage?

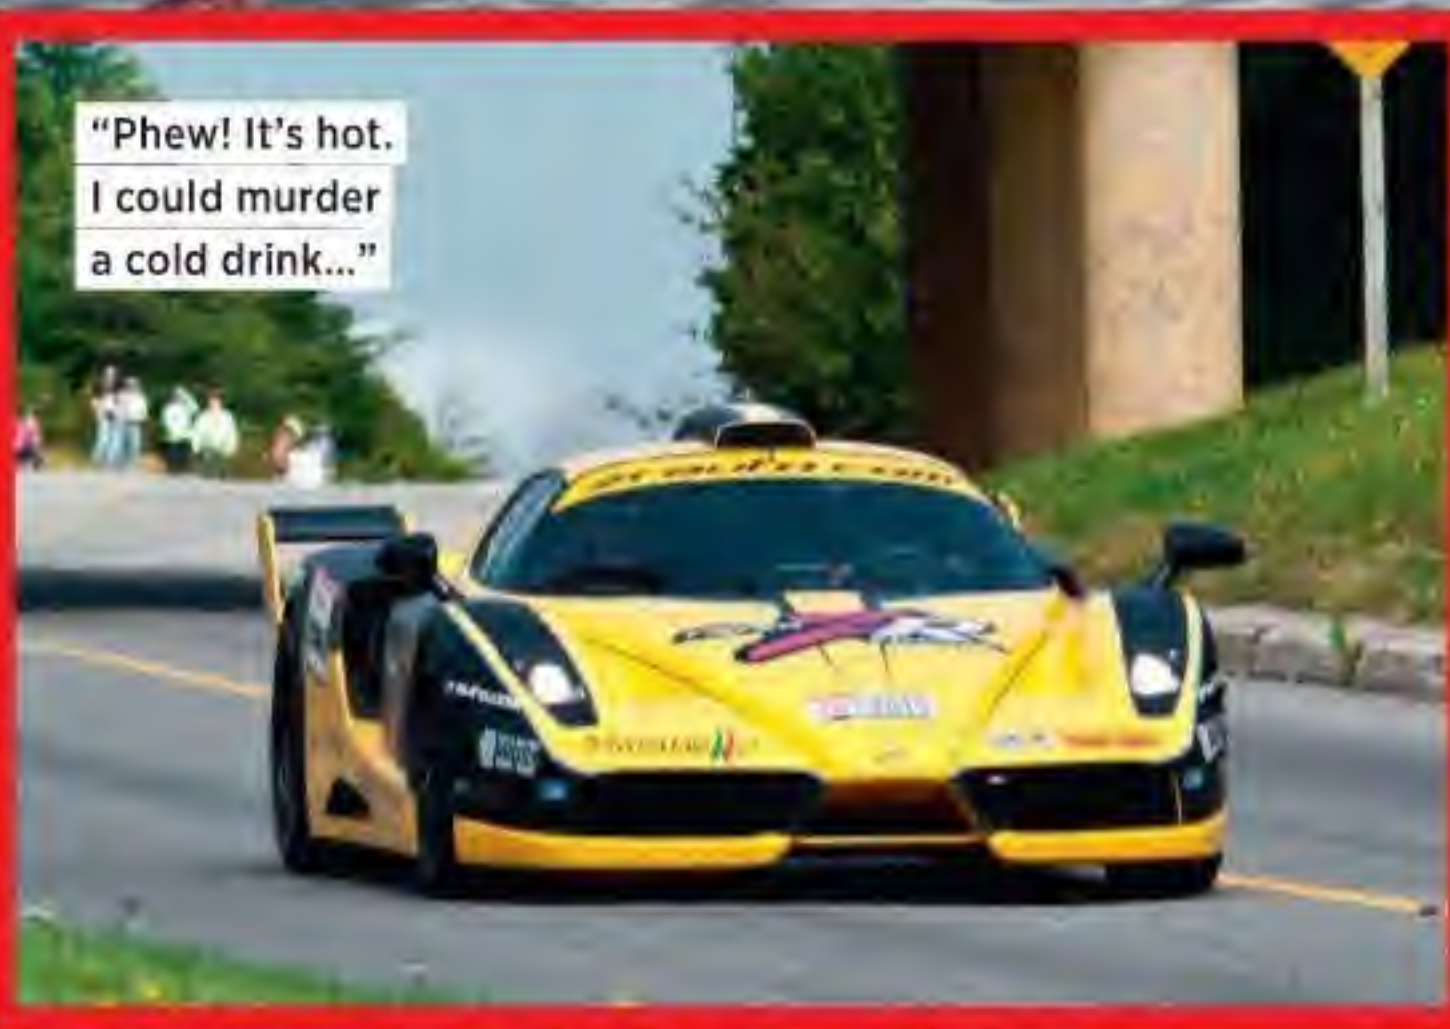

As far as the body’s concerned, the damage is just the left passenger fender and the bumper, which I was very surprised about. But then the wooden post I hit actually minimised the damage somewhat!

It’s a bit wet, though!

The water is the problem that I have to deal with, where we need to take the electronics and the engine apart. This involves shutting off the car, taking the total wiring harness off, stripping it all down and covering it in WD40. The bottom line is how much it’ll cost to replace that. I’m sure it’ll be no more than \$100,000. I don’t see an issue with getting it up and running again.

Your insurer must have been grumpy!

I’m not insured for accidents on closed tracks, but in my line of work, we’re aware of that. That’s why I have my own shop – so we don’t have to rely on others to enjoy doing what we do!

The console killer!

It pipes games down the web!

THIS SINISTER-

controller and box is OnLive, a clever "cloud-based" gaming service. You hire games for as long or short as you like, on a monthly basis or title-by-title. And they're not rotters. More info at www.onlive.co.uk, but here are the top notes...

PAY AS YOU PLAY!

Rent new games - three days for £3.49, five for £6.99 - or buy outright for high street costs. Or for £6.99 you can play 100-odd older games as often as you like.

SOCIAL STUFF!

You can watch/stalk gamers, spectating their games live, or record yourself being particularly epic and post it on Facebook for bragging rights.

IT IS A CONSOLE!

For £70 you get a box with HDMI out to your TV, and internet into its tummy. Plus a sturdy wireless controller for games. So it's a console killer that's a console.

PLAY ON THE GO!

This is genius. You can stop your game from the box sitting under your TV, and continue it on your PC or Mac, smartphone or tablet device via their app.

VERDICT

The visuals aren't as pin-sharp as a game running from a disc, but swapping games across platforms and having a punt at 100-odd titles for a flat fee is brilliant.

After the clothesline, controller followed up with a splash

Games you actually want to play!

Right now there are over 100 games sitting quietly on OnLive's servers waiting to be poked. Here are the highlights...

Last year's *Assassin's Creed* was possibly the best of the bunch.

DEUS EX: HUMAN REVOLUTION

JEEZ, THE people who run Britain are f**kin' idiots! Your passports will no longer state which sex you are to avoid offending transgender people. Why don't their passports just say "transgender" on them, or have a little "X" option like Aussie passports? Just think how often Ann Widdecombe's needed her passport just to prove that she's a guy or a girl or whatever she is. And think of the security concerns! "Give Cheryl Cole a break!"

A SERIOUS one now. A hardline Muslim preacher has recently declared that Cheryl Cole is now an al-Qaeda target because she decided to go to Afghanistan to entertain the troops. I'm sick of this sh*t, and so should be the rest of Britain, including its Muslims. Many of the Nuts girls have travelled to Afghanistan to support the troops. I've done some gigs out there, too and no matter what you think about the war itself, it really is f**king sh*t out there and these soldiers are working their arses off, a long way from their families. If anyone deserves a little entertainment right now, it's them. So I absolutely commend Cheryl Cole for going out there and doing what she's done. But having seen her live, I have to ask – haven't the troops suffered enough?

People are more concerned about their donor's hair colour than their medical history – a history of heart disease, dwarfism and baldness are OK, so long as the donor doesn't look like Prince Harry. "Ace! My boss

"Why's Tindall out flirting?"

ZARA PHILLIPS is p**sed off because new husband Mike Tindall got caught fraternising with an attractive blonde in a New Zealand nightclub. English fans have been holding up banners saying things like, "The Queen is going to kick your arse," but the Royal Family's used to infidelity. What should worry England fans is that the captain's out drinking and flirting when they're trying to win the World Cup. But let's reserve judgment until we see how he plays. If he plays well, let's get her back and let him finger her. Why mess with a winning formula?

"His penis was clamped!"

I'D LIKE to give a shout out to Antony Dabbs of Bolton. It was reported recently that the poor f**ker had his penis clamped between hot hair straighteners for failing to pay a drugs debt. His assailants were sentenced to two years' imprisonment, one for each inch they ruined. It could have been worse – I didn't pay a bar tab once and the landlord put my d**k into heated hair curlers. Not good, but on the plus side, I can open a bottle of wine with it now!

LETTER OF THE WEEK!

How do I impress her?

I've been seeing a girl for the past couple of weeks now and really like her, but I keep putting off having sex because she's got loads more experience than me. I'm worried that she'll think I'm rubbish in bed. What should I do to make sure I impress her in the bedroom?

BENNY Falmouth

Just remember two things: be yourself and relax. If she's keen, then I'm sure she'll guide you through what she likes to do. Think of her pleasure rather than your own and let her teach you everything she knows. By the way, just how big are you downstairs?

not that keen to go along but I really don't want to look like a mug in front of my mates. What do you think?

MATTY via email

Are you even interested in sex, Matty? Actually, this one's quite simple. If you don't want

to participate, then don't. That said, would you consider just tagging along to the red light district to see what it's all about? Just don't let yourself be pressured by your mates into doing something you don't really want to do.

Addicted to phone sex!

I'm addicted to phone sex lines. I can't get enough of them but my phone bills are ridiculous and I need to stop. Do you think if I start talking dirty to my missus, it'll help stop me phoning these things or will she just laugh at me? Help!

JON Norwich

This all really depends on your missus. I need to know more about her. Write in again and tell me what sort of woman she is because I could give her advice on recording some special chats just for you, which would be much cheaper.

- If you've got something to ask Danni, just email her at thelesbian@nutsmagazine.co.uk or write to her at the usual *Nuts* address on p70.

Dog rough pub

A BLOKE walks into a bar and orders a pint. He looks for a seat but every table's full except one in the corner, where a rough-looking man's sitting with a dog. "May I take a seat?" The chap asks nervously.

"If you want," says the gruff man.

The punter sits down and looks at the man's dog. "So does your dog bite?" he asks.

"No," replies the chap.

The first man reaches to pet the dog, but it bites his hand before he has the chance. "I thought you said your dog doesn't bite!" the man snaps.

"It's not my dog!" the local replies.

Sell:

The American megastar on kangaroos, time travel and phoning his mum!

Copy:

➔ **THE RULES** are simple. We fill our bucket full of ridiculous questions, then a celebrity picks them out at random and must answer whatever they get!

Can you cook?

I'm probably the worst cook ever. I can make noodles. I can make eggs. And I can make a sandwich - that's about it.

What's your favourite type of cheese?

I'm actually lactose intolerant. No, I'm only joking. Blue cheese is my favourite.

Could you beat a kangaroo in a fight to the death?

I'm pretty sure I could. Kangaroos have a good punch and massive tails.

I've got a massive punch, too. And a massive tail!

Who's the most famous person you've stood next to at the urinal?

[Thinks for ages.] Jay-Z! I was trying to think of someone there.

What happened the last time you went to the dentist?

He said I had great teeth for someone who doesn't have braces. I asked him if I could have whitening and he said, "Why? Your teeth are white enough already."

Would you rather be the driver of a tank or the pilot of a helicopter?

Hmm, I think I'm more of a tank kind of guy. I like to keep it on the

ground. In the air, it's a little risky, on the ground it's safer. I'm inside the tank, so even if I crash, I'll probably still be good.

Who was the first girl you kissed?

The first girl I kissed was a girl named Chantelle.

What's the square root of 169?

Ha! I don't know. [13 - Ed]

What's the worst hairstyle you've ever had?

I think my braids were the worst. No! When I was a kid, I had a little ponytail. It was actually cool for the time.

If you could be stuck on a desert island with one girl, who would you choose?

Ha-ha! [Puts question back into bucket.]

Would you rather have ten thumbs for fingers or no toes?

I think it's very cut and dried. It's a very easy question because I can hide my lack of toes by having shoes on. But if I had ten thumbs I'd have ten thumbs and everyone could see that. I'd have to wear mittens. But if I had

no toes, I probably wouldn't be able to dance. I still choose the toes. Ha!

If you could have a super-power, what would it be?

To be invisible. Then I'd be able to go and visit people and act like I was a ghost, and freak with their minds. I could do it to friends and the people I disliked, too!

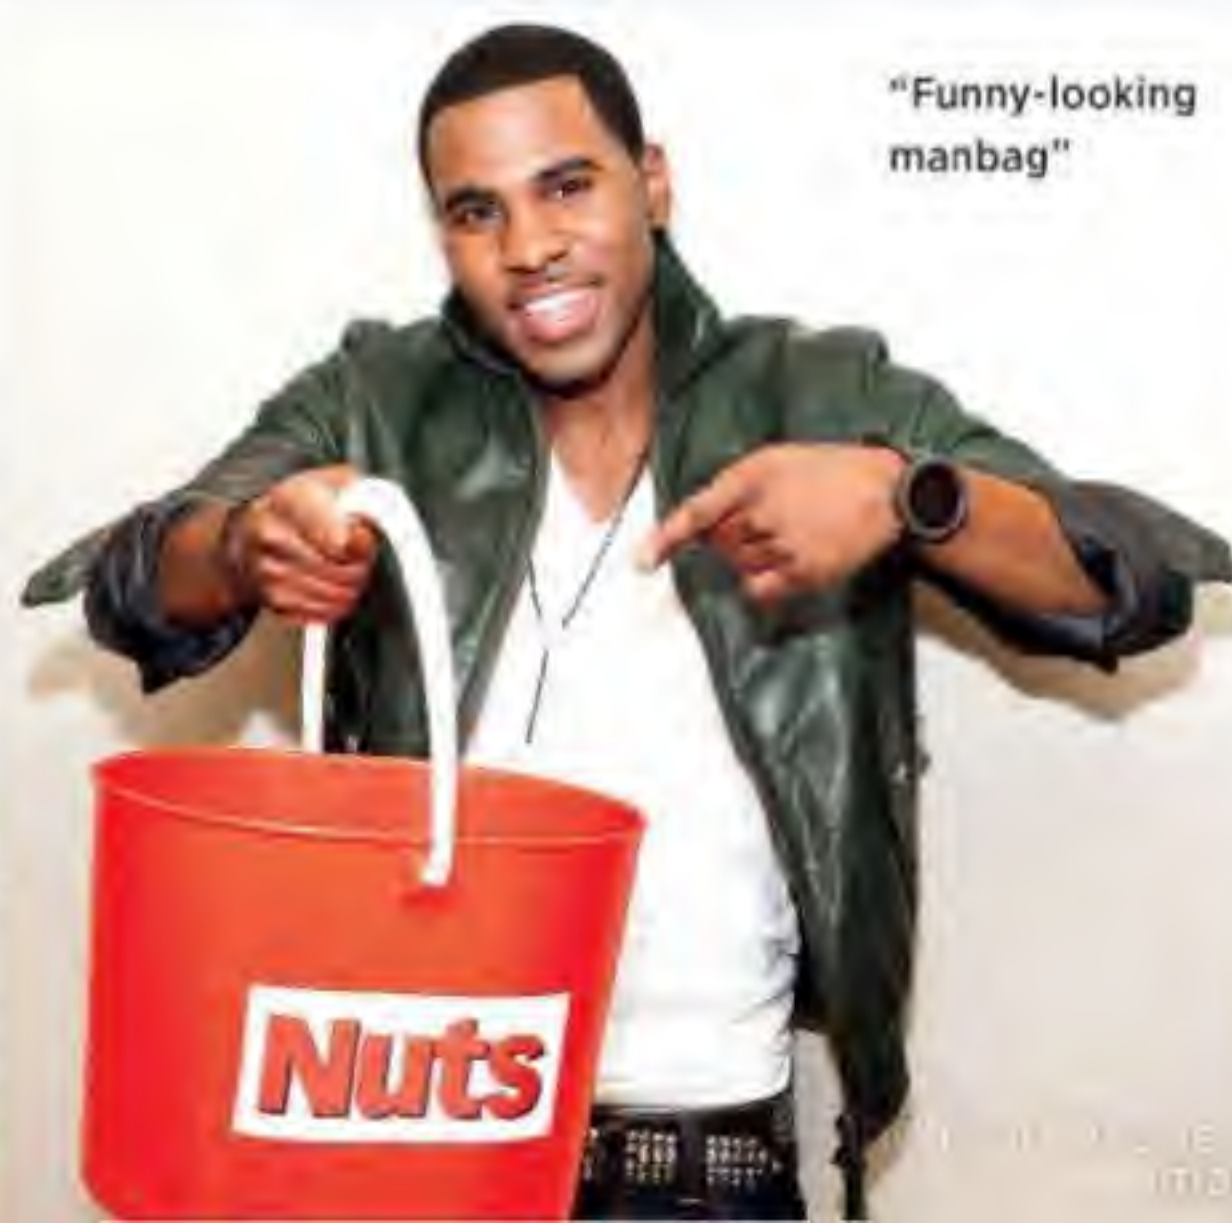

If you could time-travel to any period in history, where would you go?

If I could time-travel to any period, it would probably be to the '80s. I feel like the '80s had really cool music and really cool style. Everyone was carefree and just kind of chilled out. At least that's what it seems. Or was that the '70s? You know, when they had tie-dyed shirts? Whoops!

What would you like for your birthday?

It's my birthday today! What would I like? [Thinks for ages.] I don't know. To talk to my mom would be fine! ✕

**“No one can
believe that
my boobs
are natural”**

THANKS TO reality TV there are now so many beautiful women on TV that you can click on any channel at any given time and you'll probably be confronted by some vision of loveliness. Whether they're feisty Geordie lasses, busty Yanks or dainty Essex hotties, telly has never been sexier! Behold, as blonde bombshell Billie Faiers, sexy star of *The Only Way Is Essex*, introduces the hottest reality TV babes lighting up our screens...

Hi Billie! How are you enjoying the shoot?

It's great fun! I'm sporting some really cool outfits and it's a bit more quirky than normal. A bit more rock chick. My make-up's a bit darker and my hair's quite messy. I won't be turning into a goth just yet though. Don't worry, I'll always be an Essex girl.

What's it like having the most famous boobs in Essex?

Ha! Do you really think so? To be honest, no one can believe that my boobs are natural, and I always get asked, "Are your boobs fake?" So I don't really mind having a famous pair. I just think it's funny.

Are you excited by the new series of *The Only Way Is Essex*?

Yeah! There'll probably be some new characters. You read a lot of stuff in papers and you're never sure how true it is, but I think it's sort of cool to keep it fresh with new people and new storylines.

Is any of it ever staged?

The relationships, friendships, things like that, are 100 per cent true. But what they have to do if something dramatic happens and the cameras weren't there, is almost have to re-enact it and speak about it in a scene to make sense to the viewer. But nothing that happens is made up. You know that if I had a boyfriend in the show and I split up with him, that's exactly what you'd see. ►

Do you get paid for taking part?

We do. The producers will stump up for nights out and stuff, but if we choose to go to a bar then it's our choice.

Do you ever have "boob offs" with your fit sister, Sam?

She's always saying to me "I'm gonna take some of your boobs and put them in my boobs" because my boobs are massive. But I always want her boobs. It's a lot easier for her to buy clothes, like dresses and stuff!

Is it true that you two might get your own spin-off?

I've got an exciting project coming up but I can't tell you about it just yet. It's something to do with me and Samantha, and you're going to love it. All I'll say is that it's not a spin-off!

Charlotte from *Geordie Shore* told us your show is "boring". How do you feel about that?

I haven't seen *Geordie Shore*. All I know is that it's outrageous, the girls get paralytic and they all end up sleeping with each other! Some people think it's hilarious, and others are disgusted by it. Essex might be a bit boring for them, I guess.

Has your new celebrity status brought you any fun offers?

Nothing too outrageous, but I wouldn't mind getting into acting. I think I could be a brilliant actress. I'd love to do a pantomime. Maybe I could be Tinkerbell in *Peter Pan*?

Would you ever consider doing a reality show like *Amy Childs*?

I love doing *Essex* but if the show ever ended, I'd love to do *I'm A Celebrity...* or *Strictly Come Dancing*. I'd probably like to do *Big Brother*, actually. I just don't like being away from home, that's the thing.

Finally, which other famous women do you think would benefit from a vajazzle?

I reckon Victoria Beckham would like one, because she's an Essex girl and she likes her bling! I'm pretty sure David would be into that, too! ▶

**“Victoria
Beckham
should get
a vajazzle!”**

SAM FAIERS *The Only Way Is Essex* ITV2
One of the most glamorous of the show's players, this stunner isn't averse to having her picture taken wearing very little. Hooray for her!

CARRIE SPENCER *The Bachelor* Channel 5
One of the many lovelies who are looking to ruck and maul over rugby bloke Gavin Henson, Carrie is a West Country beauty with eyes on the prize.

LAUREN GOODGER
The Only Way Is Essex ITV2
Her on-off boyfriend may look like an orange, but this 24-year-old is still unbelievably hot.

AGNE MOTIEJUNAITE *Made In Chelsea* E4
The hot blonde with an exotic name and equally exotic looks was one of our favourites from the first series of the show about posh Londoners.

MORGAN LEES *The Bachelor* Channel 5

She's a model and fitness instructor, so that's two things in her favour – she can talk to Henson about training, and she's a model. Obviously. ►

CHARLOTTE-LETITIA CROSBY

Geordie Shore MTV

Charlotte likes to party and is fond of a mini-skirt, which are both highly commendable traits.

KIM KARDASHIAN *Kourtney & Kim E!*

She may be famous just for existing, sort of, but she does it better than anyone else. The longer Kim's on our screens, the better.

DANNI ORSI *Candy Bar Girls* Channel 5

We snapped up Danni as our new sex columnist. Because if you can't trust a hot lesbian's sex advice, whose can you trust?

LAUREN POPE *The Only Way Is Essex* ITV2

"Popey" plays a small but important role in the lives of the Essex mob, namely popping up at the right moment and being unfeasibly hot.

AMY CHILDS *Celebrity Big Brother* Channel 5
She traded Essex for the *BB* house, but Amy has cemented her place here by completing the strict entry requirement of being really, really fit.

NICKIE HEDGER *The Bachelor* Channel 5
This Lancashire lass is a sweet girl-next-door type who lives with her mum and is a joy to look at. What more do you need to know?

CARIANNE BARROW *The Bachelor* Channel 5
The underwear model is after a man who's up for a bit of a laugh. Judging by Henson's haircut, he definitely ticks the "sense of humour" box.

CHLOE SIMMS *The Only Way Is Essex* ITV2
Whether she's on our telly looking awesome or indeed in *Nuts* looking awesome, there's one thing we can't deny – she's awesome! ▶

MARIA FOWLER *The Only Way Is Essex* (ITV2)
We've grown increasingly fond of this talented model. The fact that she's not worried about being pictured with no top on helps, of course!

REBECKAH VAUGHN *Big Brother* Channel 5
The best thing about the return of *Big Brother* is that they've done their homework and got some seriously hot women in. Well done, Channel 5!

VICKY PATTISON *Geordie Shore* MTV
The leggy 23-year-old likes nothing more than getting drunk "on someone else's coin" and we'd certainly like to buy her a drink.

LOUISE CLIFFE *Big Brother* Channel 5
We're enjoying watching brunette lovely and long-time *Nuts* favourite Louise sizzling on our screens. Long may she stay in the *BB* house!

REALITY TV BABES

POLLY PARSONS *The Real Hustle* BBC3

This 24-year-old trickster is the newest recruit to the *Hustle* team. Frankly, she could tell us anything was true and we'd believe her.

SKY SPORTS 1/HD • 3.30pm

A nice, relaxing Sunday? Forget it! It's one of the fiercest rivals in footy! After years in Arsenal's shadow, Spurs must sense this is the season they reclaim north London bragging rights. Always a feisty affair, this could be made even more tasty with the likelihood of ex-Gunner Emmanuel Adebayor running out for Spurs.

Star Trek

CHANNEL 4/HD • 6.30pm

Loud, flashy, and utterly fantastic movie update of the sci-fi TV series, starring Chris Pine as the young, rebellious James T Kirk and Zachary Quinto as Spock. Simon Pegg's accent as Scotty is atrocious, but Eric Bana makes for a zestfully unpleasant alien bad guy. The special effects set-pieces are truly spectacular, too!

One of the more lightweight police dramas returns. So, expect more of the fast-paced fun that made the first series following a family of New York cops (headed by Tom Selleck) a decent watch. Nuts' Honda road test!

MEET NUTS
man Sam.
Sam's job is to
organise shoots
with the ladies
you see in *Nuts*,

which means lots of time out and about at locations and studios. So when Honda offered us the loan of a CBR 125R motorbike, he was the ideal person to test it. Here's his diary of a week on two wheels!

Monday

Visited a chap to get wall panels like those in the *Big Brother* Diary Room made for a Sophie Reade shoot. The bike's light frame (136.9kg) and sporty suspension mean great handling, and it does a nippy 70mph – not bad for a Learner-legal machine!

Tuesday

Rode the 11 miles into work through busy London streets. The bike's a great commuter – easy to manoeuvre between tight spots in the traffic, and the powerful brakes are really impressive, a must for avoiding pedestrians!

Wednesday

Off to the studio where our Diary Room wall panels are being delivered. It's a typical English summer's day with heavy rain and wind! But the bike's bright 60W twin headlamps make sure you're visible, while progressive brakes prevent over-braking and sliding about in the wet.

Thursday

A day of meetings, so more riding round town! Luckily, the bike gets into the tightest parking spots, and with an amazing 117mpg fuel consumption, low group 6 insurance and no congestion charge, it's easy on the wallet too!

Friday

Early start for a big shoot – the shoot crew and models all comment on how lovely the bike looks! It has the same cool styling as the bigger CBR600RR and CBR1000R Fireblade, and looks bigger and sportier than most 125s, with a good-sized fairing and rear tyre. So it fits in very well at a glamorous *Nuts* shoot!

CONFESSION OF THE WEEK!

'I went to a lesbian club'

AFTER WATCHING that *Candy Bar Girls* show on TV, I went there myself. I met this gorgeous girl who lives a few streets away and she asked me back. As soon as we got on her sofa, we kissed and then her hand moved up my thigh. I felt myself getting wet as she slid her hand up my leg. Soon, she was stroking my knickers, so I pulled them off and she and rubbed my clit and pushed her fingers deep inside me. I shook with pleasure and before I knew it, I was climaxing. I had to get home but we're planning a big session next week!

Toni London

'They saw me naked!'

MY BOYFRIEND'S parents and sister were out of town for a week, so he decided to make a birthday meal for me at their house. We ended up fooling

around naked. By about midnight we'd passed out but woke the next morning at 7am, horny and a little hungover. We made passionate love over and over again. It was very dirty and I was groaning and screaming. After a while, I wandered naked into the kitchen to get myself a drink.

As I turned around, I was shocked to see my boyfriend's brother-in-law and his friends in the living room, all staring at me. I dropped my glass of water and ran to the bedroom. It turned out my man had forgotten to tell me his brother-in-law was coming to stay. When I told him what had happened, my boyfriend started to laugh, so I hit him with a pillow! I couldn't go downstairs again for hours!

Janice via email

'The lights were out'

MY BOYFRIEND drove me home one night and when we arrived at my place the lights were out. My parents sleep in the room next to mine, so I knocked on their door but they didn't stir. Thinking we were in the clear, my man and I started kissing and he played with my boobs. He squeezed and bit my nipples through my bra, and then he slid his fingers inside my panties and started to play with my clit. It really turned me on, having his fingers in me as he sucked my nipples. I moaned loudly. Then, just as I was about to come, my bedroom door started to open and the lights came on! It was my mum! My boyfriend kicked the door shut hitting my mum on the head. He couldn't apologise enough as she hurried back to bed.

Abby via email

'We couldn't risk a noise!'

WE WENT away on a uni sports trip recently and, to save money, we all clubbed together and hired the biggest room on offer to share between us. When the lights were all out and everyone was asleep, my boyfriend and I got a little naughty under the blanket. He rubbed my thighs, while I stroked his c*ck. Soon enough, we were doing it in the spooning position. We couldn't risk a noise! At one point, we heard one of our friends moving around so we stopped and pretended to be asleep. After a minute, we were back at it and he came all over the back of my top. We didn't know if anyone noticed but I didn't care. Because of this experience, sex has become more fun and adventurous for both of us!

10 RUDE QUESTIONS!

And a real girl to answer them!

Sophia

22 Dundee

1 Where's the strangest place you've had sex?

"The cinema. I went to see a late film with my fella and we were the only ones in there. I got really bored halfway through so I slipped my hand down his trousers and instantly got a reaction. We ended up on the floor!"

2 What's your trademark naughty move in the bedroom?

"Dirty talk! I love to whisper a stream of constant filth into the ear of any fella who's lucky enough to join me in bed!"

3 What really turns you on in bed?

"I really love having my ears nibbled – it sends shivers down my spine every time!"

4 What's your favourite position?

"Doing it while standing up and against the wall. Here's a little tip for you: the shower is the best place for this to happen!"

5 Is it better to give or to receive?

"A bit of both is ideal! I love to receive but I'm also a very giving person!"

6 What's the one thing you'd really like to try but haven't done yet?

"Does it make me sound really bad if I say that there's nothing I've wanted to do that I haven't done? It probably does! Ha-ha!"

7 Have you ever got it on with another girl?

"Yes, I've got it on with loads of girls – many, many times. And I have to tell you, a lot of them have been better than any man!"

8 What's your naughty role-playing costume of choice?

"I love to get kitted out in a sexy PVC and leather outfit, with stockings and suspenders, of course. Just the basic, classic stuff!"

9 Have you ever made a sex tape?

"Again, many times! I've got a little library of all my ex-boyfriends on disc!"

10 What's the single rudest thing you've ever done?

"When I was in Phoenix on a shoot, I ran about a park in a short skirt and no panties and flashed a group of boys who were setting up a stage nearby. I loved it!"

"I've got it on with another girl many, many times!"

TARGET MAN!

NORTH LONDON DERBY!

Adebayor: 'I'm a true Spurs man!'

Tottenham's lanky on-loan striker on his Champions League ambition!

➔ **Hi Emmanuel! How have you found your move to Spurs?**

I'm very happy. For me it was crucial that Spurs felt I was important to them, and from the first moment they've made me welcome.

Didn't you worry about your old Arsenal connections?

It was a consideration but football's a simple game. If you perform well and show 100 per cent in every game, fans will understand this and give their support. Arsenal was a big part of my life but I'm a Spurs player now. William Gallas had the same thing and now the

fans love him – this is my goal, too. I know every person will see that I'm a true Spurs man!

What went wrong for you at Manchester City?

It's hard to identify why I went from being a key player to one who didn't play a game. I didn't become a bad player overnight! With a new manager comes different ideas and although I don't agree with what happened, I can accept this as a professional. The Manchester dream is over for me, for sure.

Are you a difficult player to manage?

No, I don't think so. A lot is said about me which just isn't

true. Yes, I'm a strong person and naturally have opinions and sometimes disagreements. But I'm a good guy, really. I spend a lot of time laughing and joking, not being in a bad mood! All I ask for is respect and trust. If that is in place, I can achieve good things.

Were you surprised more big clubs didn't come in for you once it became clear your days at City were numbered?

I always had options. I really enjoyed my time at Real and it gave people the chance to see I could still kick a ball! Once Spurs were interested and I heard what the manager had to say, it was a simple choice.

Really? What did 'Arry say?

He just explained what he wanted from me. He made it clear that he respected and trusted me, which was fantastic to hear. Then you look at the squad and the ambitions. Even with the obvious issues about my Arsenal career, there were so many reasons to wear the Tottenham shirt.

Thanks, Manu. Finally, what's the goal this season?

To help my team-mates get into the Champions League. The top four is definitely there for us to take because good players should win a lot of football matches!

"Not Manu again!
I thought we flogged
him to City!"

Arshavin: 'Wenger is Arsenal!'

The Russian on his manager's vital role!

➔ **Hi Andrey! It's been a tough start to the season. Would you describe it as a crisis?**

Everything's always elevated in football. One problem becomes many, a little issue becomes something bigger than a house. We're unhappy – we all want to win and represent this great football club in the right way – but I suggest everyone needs to have the right perspective.

Which is?

To judge us at the end of the season. I'm happy to be in that court when the decision on our entire season's performances is calculated. I still have a lot of faith in what this squad can achieve.

How can Arsenal turn things around?

To be more confident and have self-belief. Football's all about confidence. When you feel good about yourself and your team-mates, everything comes naturally. You accept the ball, run with it, make a pass, score a goal – all without thinking. When confidence is low, everything is so much more deliberate.

So it's about mentality as much as talent?

Of course. Football's about psychology. Getting rid of unwanted thoughts is very much part of the battle.

Speaking of talent, Arsene Wenger has been criticised for letting key players like

Cesc Fabregas and Samir Nasri go to other clubs.

Losing players is natural in football. Disappointing? Yes. The end of the world? No. Arsene's a fantastic manager and knows better than me what the squad needs.

He's received some harsh criticism of late.

The manager is Arsenal. Everything he has achieved at the club shows how important he is. Too much focus is on managers when players do not perform. Ultimately, it's about two teams and one football. The team who score the most goals wins. It's simple!

You've come in for some fearful stick yourself. Does criticism bother you?

I prefer fans to say positive things but I'm also confident in my own personality to overcome such things. Have I been playing consistently well? No. I'd be dishonest if I said anything else. I'm my own fiercest critic. The only solution is to keep working hard and believe I can play to the right level again.

So what of the future?

We're in a process of renewal. We've new players and a fresh start. Like I said, judge us at the end of the season. Anything else would be unfair.

NIPPY WINGER!

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Look! I'm fit
and well and...
Ouch! Bugger..."

Hargreaves shows his class

City's new midfield man is on the comeback trail!

➔ **IT WAS** great to see Owen Hargreaves get 60 minutes of football under his belt against Birmingham. He was excellent and scored an absolute cracker! He's had a tough time over the past three years but is a quality player. It's great to see him back!

Hargreaves obviously didn't want to leave Old

Trafford but Sir Alex decided his time was up, especially after he pulled up in his comeback game last season. His move to Man City has worked out perfectly though. Initially, the former Bayern Munich man was only linked with Championship clubs and teams lower down the Premier League pecking order, so to get another big

move is amazing. If Roberto Mancini can keep him fit and get 20 to 30 games out of him this season, he'll be a great signing.

One thing's for sure, Gareth Barry and Scott Parker should be looking over their shoulders. A fully fit Owen Hargreaves, playing week-in, week-out, would be an automatic choice for City and England!

Michael was enjoying his new role as Sir Alex's butler

United perfect for Owen

MICHAEL OWEN has come in for stick recently, but I think his situation at Man United is perfect for club and player. He's someone Sir Alex can call on and he always delivers! Just look at his Carling Cup performance against Leeds.

I've no doubt Owen will become a horse trainer when he hangs up his boots. Not playing every minute at Man United lets him pursue this. He has a great relationship with Sir Alex and has accepted that he'll be a squad player at Old Trafford. Owen's reputation was affected by his time at Newcastle, but he was very unlucky with injuries. He's a top-class player and could still have a big say in where the Premier League trophy goes!

⚽ The Hall of Shame! ⚽

After Fernando Torres' howler against Man United, I've picked my top five all-time misses!

FERNANDO TORRES Manchester United vs Chelsea, 2011

It's a bad miss, but I'm sure they all had a laugh about it in training later. Fernando won't live it down for a while!

RYAN GIGGS

Man Utd vs Arsenal, 2003

Ryan rounded David Seaman and somehow managed to bang it over the bar. Unbelievable!

ROBERT EARNSHAW

England vs Wales, 2011

Robert got over it quickly and scored in his next game. He'd have knocked it in 99 times out of 100!

KANU

WBA vs M'brough, 2004

Kanu could've had canoes for feet and still scored! I've no idea how you miss an open goal from a yard!

RONNIE ROSENTHAL

Liverpool vs Villa, 1992

Ronnie took the ball past goalie Nigel Spink and then managed to hit the bar with the goal gaping!

THE BIG MATCH!

Everton vs Liverpool

1 OCT, 12.45PM • SKY SP2

This is a really tricky one to predict. Liverpool have tailed off a little bit after a great start while Everton look to have turned the corner with the likes of Royston Drenthe coming good. I expect it to be a cagey match with some tasty tackles!

KAMMY'S SAYS: 1-1

Key man

I think the Liverpool skipper will start despite recent injury problems. He lives for these games and will be integral to Liverpool's success!

Cesc is just fab for Barca

CESC FABREGAS has just become the first Barcelona player to score in his first four league matches! It's one in the eye for those who said he'd sit on the bench after transferring from Arsenal. He's given gaffer Pep Guardiola a real problem when everyone's fit!

"New car? Nah, I'll be hitchhiking!"

Henderson: 'Gerrard's the best I've played with!'

**Jordan Henderson
on life, Anfield, and
Andy Carroll's hair!**

➔ **Hi Jordan! How are
you finding things
at Anfield?**

It's been really good! The lads have been brilliant to me, I'm enjoying training a lot and I'm playing in the games, so I can't complain.

**You weren't the only big
new signing for Liverpool
in the summer. What do you
make of the other lads who
joined with you?**

I've been really impressed. Charlie [Adam] and Stewart [Downing] have been great so far. You just need to see them on the pitch to know what they're about. I hope we get the same all season!

**Have you been on the end of
the Jamie Carragher or Craig
Bellamy hairdryer yet?**

Ha-ha! Not yet, no. I'm sure it won't be long till it happens though!

**Which player impresses you
most in training and why?**

Luis Suarez is brilliant. He often stays behind to

practise his finishing and I think it really shows when he gets on the pitch.

**Who's the best player you've
ever played with?**

Steven Gerrard. I've played with him on England duty and now I'm training with him at Liverpool. He's the complete midfielder and a great role model.

**Does Andy Carroll get a lot
of stick about his hair?**

Ha-ha! Never! Actually, he's been talking about shaving it all off. I'm not sure if he's just winding us up though.

**Who's in charge of tunes in
the Liverpool dressing room?**

Pep [Reina] is usually in control of the music. He plays lots of Spanish stuff. The foreign lads love it and even the English guys like it.

**The Everton and Man United
games are just around the
corner - are you ready?**

They're massive games and I can't wait. I hope they'll be as atmospheric as the North East derbies I've played in - but with better results!

**What do you do in your spare
time? Any hobbies?**

I'm not sure watching TV counts as a hobby! Most of the Liverpool lads love playing on the Xbox or PS3. I get involved with them sometimes, but it can get quite competitive!
